Happy New Year!!!!

The New Year is here and a new opportunity to reinvent ourselves. Get involved in an activity you've never tried before: pickleball, ballroom dancing, mahjong, book club, cards, bingo and more. Meet a new neighbor. Take a walk around the complex. Get healthy.

SPOTLIGHT: "Make it so," Linda and Rick Sandler's motto. Talented in many ways, Linda makes jewelry and ceramics, while Rick is into sailing and photography. Rick describes himself as a past hippy, having converted a school bus and traveled the country. Linda is from Lakeland, Maryland and DC. She was a finance, mortgage broker who also did loans and managed rental property, making her certifiably qualified to sit on the Federation Board. Rick is from Baltimore and Winter Park. The two of them have traveled the world and particularly fancied Rhodes, Greece; Barcelona, Spain and Nice, France. If you haven't met their Golden Doodle Cooper, you're in for a treat. They live at 336 South. Stop by and say hello.
